

# Emergency Eye Wash Station Procedures

## STEPS TO FOLLOW

1. **ALERT** nearby personal-ask for help if needed.

2. **WALK** towards the nearest eye wash station.

3. **PUSH** paddle handle to activate.

4. **REMOVE** any obstructions to eyes.

5. **OPEN** both eyelids with fingers.

6. **FLUSH** eyes for 15 minutes.

7. **SEEK** medical attention immediately.
